GRAIN VALLEY MAN INDICTED FOR POSSESSION, INTENT TO DISTRIBUTE 50 GRAMS OR MORE OF METH

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Grain Valley, Mo., man was indicted by a federal grand jury today for possession with intent to distribute methamphetamine.

Robby G. Wilson, 27, of Grain Valley, was charged in a two-count indictment returned by a federal grand jury in Kansas City.

Count One of the federal indictment alleges that **Wilson** possessed with intent to distribute 50 grams or more of methamphetamine on Sept. 9, 2004. In a notice of special findings, the indictment alleges that **Wilson** possessed with intent to distribute at least 50 grams but less than 200 grams of methamphetamine.

Count Two of the federal indictment alleges that **Wilson** illegally possessed a firearm during and in relation to a drug trafficking crime. The indictment alleges that he was in possession of a loaded FN Herstal Belgium semi-automatic handgun with a tactical light on Sept. 9, 2004, while also in possession with intent to distribute methamphetamine.

Graves cautioned that the charges contained in the indictment are simply accusations, and not evidence of guilt. Evidence supporting the charges must be presented to a federal trial jury, whose duty is to determine guilt or innocence.

This case is being prosecuted by Assistant U.S. Attorney Catherine Connelly. The case was investigated by the Jackson County Drug Task Force.
